## VI. LAND ALTERATION / SITE-WORK INFORMATION

| | |
|---|---|
| Total Area of Disturbance (sf/acres): | Volume of Cut/Fill Proposed (cubic yards): |

Purpose of Land Alteration: ☐ Grading ☐ Fill ☐ Excavation ☐ Clearing ☐ Drainage

Source and Type of Fill Material:

## VII. APPLICANT'S CERTIFICATION

As the owner or the authorized agent of the project for which this application is filed, I certify that:

1. The floodplain administrator/inspector is hereby granted access to observe the work in this application upon coordination with the owner or agent.
2. The total cost of improvements (including labor) and all other information provided as part of this application for a floodplain permit is correct.
3. The project will be undertaken in accordance with the approved drawings and specifications and the municipality's Floodplain Management Ordinance.
4. Any changes to the approved documents will be filed with the Floodplain Administrator.
5. If the licensed architect, engineer, or professional land surveyor in responsible charge of this project should change, written notice of the change shall be provided to the Floodplain Administrator.
6. No error or omission in either the drawings and specifications or application, whether approved or not, shall permit or relieve me from constructing the work in any manner other than provided for in the municipality's Floodplain Management Ordinance.

**Applicant Signature:** _____ **Date:** _____

**FAILURE TO FILL OUT THE PERMIT APPLICATION COMPLETELY MAY RESULT IN DELAYS OR REJECTION OF APPLICATION.**
